

Login to the Audian Portal

Description:

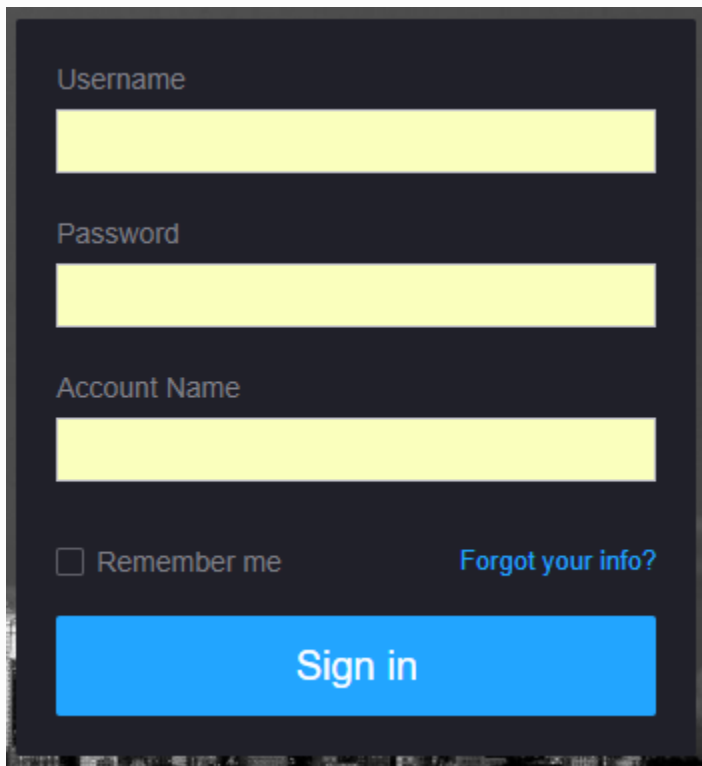

This article will show you how to do the following.

- **Login using the Audian Portal:** This is the current platform.
- **Login using the Legacy Portal:** This is the old platform, that is currently being phased out.

Methods:

▼ Audian Portal

1. **Navigate** to <https://my.audian.com/>
2. **Enter** your user credentials
 1. **Username:** (Email)
 2. **Password:**
 3. **Account Name:** (Company name)
 1. The account name is **required and case sensitive.**
3. Click **Login**

The screenshot shows a login form with three input fields: Username, Password, and Account Name. Below the Account Name field is a checkbox labeled 'Remember me' and a link labeled 'Forgot your info?'. At the bottom of the form is a large blue button labeled 'Sign in'.

▼ Legacy Portal

1. **Navigate** to <https://portal.audian.com/>
2. **Enter** your user credentials
 1. **Username:** (Email)
 2. **Password:**
 3. **Account Name:** (Company name)
 1. The account name is **required and case sensitive.**
3. Click **Login**
